Social Work Major, BA

Student Learning Outcomes

Students will:

• be open to new ideas, think critically and be capable of incorporating evidenced based theories and interventions into their professional social work tasks;

• take a leadership role in understanding, articulating and advocating on behalf of client definitions of social and personal problems, client strengths and client defined solutions;

• base their practices on systems and empowerment theories and ecological and strengths perspectives, as well as other understandings supported by scientific evidence;

• perform a wide range of tasks and roles within the context of organizational and service delivery structures and bring enthusiasm and creativity to generalist social work practice;

• define themselves as professional social workers, guided by social work values and ethical standards which include a deep respect for diversity in all its forms and a commitment to work with populations-at-risk for social justice.
