Studio Art Major, BA

Student Learning Outcomes

Students will:

• have the ability to analyze, interpret and create written or spoken dialogue about diverse works of art;

• demonstrate the ability to articulate thoughts and ideas in relation to an art historical timeline, and the ability to articulate and discuss art within our own culture and the art of culturally diverse settings;

• have basic skills to create works of art in at least three different media;

• have advanced skills and knowledge to create works of art in at least one medium;

• be able to synthesize their studio practice into the professional practice of the discipline.
