## PAYING TUITION AND FEES

Payments can be made:
- via EagleNET
- at the General Student Services Area, Sutton Hall, 2nd floor;
- at EWU-Riverpoint-Phase One Bldg., room 101;
- by mail to Student Financial Services Office, Eastern Washington University, 202 Sutton Hall, Cheney, WA 99004-2448.

Please make your check payable to Eastern Washington University and include your student identification number. Your cancelled check will serve as your receipt. PLEASE DO NOT mail cash.

## TUITION PAY (PAYMENT OPTIONS)

Student Financial Services Office is pleased to facilitate a payment plan. The plan is available through Academic Management Services. This is a “pay-as-you-go” alternative to lump-sum payments and we have found it increasingly popular among students and parents.

Eastern Washington University has found Tuition Pay through AMS to be a very helpful service at a reasonable cost. If you have any questions, need additional information or would like assistance in completing an enrollment form, please call Tuition Pay today at 1.888.664.6082. A Tuition Pay specialist will be happy to help you or on the Web at www.Tuitionpay.com.

## THIRD PARTY BILLING

Students who are sponsored by a third party may request billing to the sponsor for tuition, fees and other related educational expenses. Sponsor invoicing occurs once per term. Sponsor payments must be received for the current term in order for students to be eligible to continue enrollment in subsequent terms.

In any sponsor billing arrangement, the student is ultimately responsible for payment of university charges. If a sponsor fails to pay any amounts invoiced, those original charges are returned to the student account with any appropriate late payment penalties assessed.

Students or sponsors may request sponsor billing by mailing a signed billing authorization form to the following: Student Financial Services, Attn.: Third Party Billing, 202 Sutton Hall, Cheney, WA 99004.

Complete arrangements for sponsor billing must be made prior to the statement due dates to prevent late payment penalties. If you have any questions, call Student Financial Services 509.359.6372.

## COURSE FEES

Some courses may require a special course, lab or computer fee in addition to the regular tuition assessed. Students should refer to the course footnote for specific charges. Additional charges may be assessed for special courses offered by the Office of Professional Development and External Programs. These courses are classified as self-support courses and are charged separately and in addition to regular campus courses.

For a comprehensive list of all courses that charge fees and the amount of the fee go to the [www.ewu.edu](http://www.ewu.edu) and do a search for Fee Schedule. All 295, 395, 495 and 595 internships coordinated through the University Internship Program will be assessed a per-quarter fee. Additional charges may be assessed for special courses offered by EWU’s Continuing Education Department. These are noted as self-support classes. For more course fees check the course section search on EagleNET.

## OPTIONAL FEES

Washington Student Lobby is a statewide organization made up of Washington’s five public universities and is located in Olympia. Through contributions, WSL is able to represent student concerns in the state legislature. Support WSL with a $2.00 contribution by marking "yes" on your quarterly registration form. Fee may be paid at Student Financial Services in Sutton Hall. ## SELF SUPPORT FEES (ONLINE LEARNING)

Courses offered through Online Learning are classified as “self-support.” This on-campus self-support tuition is charged at the current resident undergraduate per-credit rate, for all resident and non-resident students, separate from other EWU tuition that the student owes for the current quarter. Registration obligates a student to payment of all tuition, course and University fees. For more information contact Online Learning, toll free, 800.924.6606 or [http://www.ewu.edu/x6272.xml](http://www.ewu.edu/x6272.xml).
IMPORTANT REGISTRATION INFORMATION

REGISTRATION, DROP/ADD & GRADES VIA EAGLENET

PRIORITY REGISTRATION

Priority registration is a time scheduled for continuing (currently enrolled) students to register for the next term. Your registration date is based on your class standing as of the prior quarter's grades (e.g., fall quarter registration is based on prior winter grades and cumulative credits at registration time). The appointment schedules are published on the Web and in the Quarterly Announcement.

SYSTEM AVAILABILITY—EagleNET is available for online registration transactions through the fifth class day of the quarter. Please visit the Office of Records & Registration on the 2nd floor of Sutton Hall (SUT 201) on the Cheney campus or at the EWU Spokane, Riverpoint Campus, Phase I Classroom Building, room 101 for registration transactions after the fifth class day.

BEFORE YOU REGISTER

1. Double-check your registration appointment time.
2. Check your status and holds on EagleNET. Clear all registration holds — you may not complete any registration transactions if holds exist. Most billing holds may be cleared when making payment on EagleNET.
3. If you are a first time student, freshman, athlete, on academic probation or dismissal, you must consult your advisor prior to registering. Registration cannot be completed until this obligation has been met.
4. Registration for courses not accessible through EagleNET (Directed/Independent Study and Internships) must be arranged with the academic department for the course and must be processed in person, at the Records & Registration Office or EWU Spokane, with appropriately signed directed/independent study/internship forms.
5. If you are registering or adding classes after the fifth day of the quarter, you must have the instructor's signature. Fees for late registration begin the sixth day of the quarter. Late registrations must be processed in person at the Office of Records and Registration, 2nd Floor of Sutton Hall or at the EWU Spokane, Riverpoint Campus, Phase I Classroom Building, room 101 using the In-Person Registration form. (Forms are located at the end of this course announcement.)
6. Have the Work Sheet in the back of this announcement with Student ID, PIN and Course Reference Numbers (CRN) ready. (Course Reference Numbers are listed on the Web at http://EagleNET.ewu.edu).

FORGOT YOUR PIN?

ON EAGLENET—PIN QUESTION/ANSWER

1. Answer the PIN question and gain access to your EagleNET account.
2. Contact the Office of Records and Registration at 509.359.2321 and we will reset your PIN, after you have given us specific personal information to identify yourself.
3. Be sure to keep your e-mail address current as the updated PIN will be sent via e-mail.

PROTECT YOUR PERSONAL INFORMATION

• To protect your personal information Exit Banner Self Serve Secure Area. Failure to completely logout or exit your browser may allow others to access your records.

CHECK YOUR SCHEDULE

• Check your schedule on http://EagleNET.ewu.edu prior to the start of the quarter. There are often changes; classes are added, cancelled and changes in day, time, room and/or instructor may have occurred.

REGISTRATION

Make an appointment to see your advisor to select your courses. You will need your eight digit EWUID and PIN to register.

1. Go online to http://EagleNET.ewu.edu
2. Click on Current Students
3. Your User ID is your eight digit EWUID.
4. PIN (Personal Identification Number) You will be required to reset your PIN the first time you enter the Banner EagleNET — Your initial pin has been set to your date of birth (in mmddyy format).
5. The Login Verification Change PIN form will require the following:
   a. Re-enter Old Pin
   b. New Pin: (Must be six characters in length)
   c. Re-enter New Pin
6. Login Verification Security Question and Answer. If you forget your PIN, this question will assist you in having it reset. Enter your personal Security Question and answer. Submit.
7. Select the Student tab under the Main Menu or the tab at the top, then Registration.
8. Select Registration Status to check status. Use the drop-down menu to select the term then Submit Term. The Registration Status screen will display information which may affect your registration. Any holds which prevent registration or add/drop, will be indicated here. Click on View Holds to see any existing holds and which office placed them. Click the “Back” button once in your browser.
9. Select Add or Drop Classes option for new or first time registration or to add or drop courses.
10. If you are already registered for the quarter, your schedule will be displayed. You can search for open classes from this screen by clicking on the Class Search button. You may also type your CRN’s (Course Reference Numbers) directly into the text box if you already have them chosen.
11. Follow the instructions on the screen or use the Help button for online help. It is best to search for open courses by using the Class Search option at the bottom of the screen. Note: Select at least one subject to perform a search. Keep your search simple. Search on subject and one or two other search options only. You may select all subjects. Select top subjects — hold down the shift key - scroll to bottom. You may also type a letter to get to the alpha area your subject is in.
12. Courses for which you are currently enrolled will display on the search list, but will not have the check box displayed. A search will display courses that could result in time conflicts with your enrolled courses.
13. After selecting a course, click on the Register button to register for the course.

Note: Clicking on the Add to Worksheet button will not reserve a space in the class.
14. Once billing has been activated for the term, you can view your bill by clicking the menu button, then Registration Fee Assessment.
15. If using the Concise Student Schedule.

Note: if course credits are listed as zero, you are not enrolled. Check for dropped or waitlist status on the ‘student detail schedule’.

Note: Some changes may have been made to your schedule by the Office of Records and Registration. You must come to the Office of Records and Registration if you wish to re-add one of these courses.
IMPORTANT REGISTRATION INFORMATION

STUDENT RESPONSIBILITIES

Please read before registering for courses.

As an EWU student, you are responsible for the requirements and deadlines published in this quarterly announcement.

The following processes may be held due to financial obligations: Admission to the university, registration, drop/add activity, conferring of degrees and issuance of academic transcripts may be withheld for failure to meet financial obligations to the university. It is the student’s responsibility to ensure that his/her account is kept current. Payments received from students will be applied in the following priority: 1) oldest charge, 2) tuition and course fees, 3) housing and dining charges, 4) other charges.

Registration obligates a student to payment of all tuition and course fees. If tuition is not paid by the published due date, students will be assessed a late fee and will be liable for any other reasonable collection costs and charges. Students may check with the Student Financial Services Office, 509.359.6372, to obtain the exact amount of tuition and fees due.

Schedule Confirmation: Check your schedule carefully for discrepancies. You are responsible for ensuring that the courses you select will fulfill degree requirements. Registering for courses without the necessary co-requisites or prerequisites may result in being disenrolled.

Drop by Instructor: If a student fails to attend class during the first week of the quarter, the instructor may drop the student from the class. Students should not assume they will automatically be dropped from a class they do not attend. Check with the Office of Records and Registration prior to the end of the drop/add period. Nonattendance does not relieve you of your academic and financial responsibilities.

As a student, you must understand that the information included in the schedule of courses is important. You will be held academically and financially responsible for the course selections you make and it is your responsibility to obtain academic advising for your program.

Your address is very important! Please keep us updated! Addresses can be changed on http://EagleNET.ewu.edu. at the Office of Records and Registration, Admissions, Financial Aid, Student Financial Services or EWU Spokane, Riverpoint Campus, with picture ID.

TO VIEW OR PRINT YOUR CLASS SCHEDULE

1. Select the Registration option.
2. Use the drop-down menu to select the term then Submit Term.
   You can see or print your class schedule with day and times, meeting location and instructor by clicking on the Student Detail Schedule button. WAIT LIST PROCEDURES

If a course is closed and has a waitlist option, you may choose to be placed on the waitlist for that course section. Follow directions according to EagleNET for being added to the waitlist. Please be aware, that being placed on the waitlist indicates that you would like a spot in that course. You are responsible for officially dropping or withdrawing from any course that you have been waitlisted or enrolled in and do not wish to take. If you add your name to a wait list, this indicates you want to be enrolled. You should not be waitlisted in more than one section and enrolled in another section of the same course. This may prevent you from getting the class you really want.

Note: Waitlisted course credits are not included in your billing statement or in your credits needed for financial aid.

A. If you wish to be enrolled in a course with a wait list you should do the following to increase your chances of getting a spot in the class:
   1. At the time of registration, have your name included on the wait list for that course. Note: You cannot be on more than one wait list per course. Dual registrations in both an open section and a wait list section of the same course will not be permitted. Wait lists are closed prior to the beginning the first day of the quarter.
   2. Once your name is placed on a wait list for a particular class you should attend the class during the first three days of the quarter.
   3. Questions regarding a particular wait list should be directed to the department office.

The above process will increase your chances of being enrolled in a given course, but will not guarantee enrollment.

B. Academic departments and the Records and Registration Office will do the following:
   1. Forward updated wait lists to each department office.
   2. The department will send individual students to the Records and Registration Office with memos and/or notes indicating they should be removed from the wait list or added to the class or the department will indicate on the wait list which students should be added to the class and which students should be removed from the wait list and forwarded to the Records and Registration Office.

No additional names will be added to the wait list as of the first day of the quarter. You will either be dropped from the wait list or added to the class by the 10th day.

If you are wait listed in a course you do not wish to be enrolled in, you are responsible for dropping it. There is no fee for dropping from a wait list.

RUNNING START
(For High School Students)

103 Hargreaves ............... 509.359.6155 .......... www.ewu.edu/runningstart

Running Start provides an opportunity for juniors and seniors in Washington’s public high schools to enroll in courses at Eastern Washington University. The program, created by the state Legislature, offers academically motivated and qualified students the opportunity to take college courses as part of their high school education.

Students may supplement their high school curriculum with one or two courses per quarter or take all of their classes at Eastern—with up to 18 credits per quarter. If eligible for the program, they earn both high school and college credit for the college-level classes they successfully complete. Tuition for Running Start classes is covered by each student’s school district.

INFORMATION TO CONSIDER

REQUIREMENT FOR COMPLETION OF PRE-UNIVERSITY BASIC SKILLS

Applicable Courses
- CPA 100–P Grade
- ENGL 100–P Grade
- MATH 103, 104 or equivalent—2.0 or better

Students whose placement testing places them in pre-university skills courses must enroll in at least one such course (5 credits) per quarter until these course requirements are satisfied. Furthermore, all students so placed must complete all pre-university Mathematics, English and Computer Literacy courses before the completion of 45 university course credits. Failure to do so will result in a hold on subsequent registration until a plan to satisfy these pre-university requirements is accepted and approved by an advisor in General Undergraduate Academic Advising. Students will need adequate advising to remain in compliance with this policy. *Unavailability of these courses, as certified by General Undergraduate Academic Advising, in a given quarter suspends this requirement for that quarter.

If you believe you have acquired enough knowledge to test and clear any of these requirements, go to the following:

ENGLISH AND MATH COMPETENCY

Each student enrolling at EWU must demonstrate knowledge of the material contained in MATH 104 Intermediate Algebra—by earning 2.0 or better. The credits earned in MATH 104 will not be counted as part of the 180 credits required to graduate.

To satisfy the English and Math competencies, see the appropriate department.

The Mathematics Placement Test (MPT) dates are scheduled at various times throughout the year. See the Mathematics Department website, http://www.mth.ewu.edu or call 509.359.4311 for test schedules, practice problems and scores necessary to place into various courses. The fee for the MPT is $15, which can be paid in Sutton Hall, 2nd Floor or EWU Spokane, Riverpoint Campus, Phase I Classroom Building. Students must bring a picture ID to the testing site.

You must complete a placement exam in English if you have not yet completed the equivalent of Eastern’s English 101 with a 2.0 or better. You should complete the University Writing Placement Test prior to your first registration at Eastern if required. Normally the test will be completed during the STAR sessions. The Writing Placement Test will be used to place students into the appropriate composition course.

You should complete your Writing Proficiency Requirements as soon as possible as some courses require English 201 as a prerequisite.

For further information, contact the English Composition Program, 509.359.7064.

HOLDS FOR CONTINUING STUDENTS

Registration and drop/add transactions cannot be processed if you have a hold for any of the following reasons:
- If you have incomplete records - transcripts missing
- If you are a junior and have not declared your major
- Financial obligations to the University—may be cleared by payment on EagleNET

ADDRESS CHANGES

It is the student’s responsibility to keep address information up-to-date with the University. Changes may be made on EagleNET by clicking on “Update Addresses” under the Personal Information column. Address changes can also be submitted in person, by mail or by fax by completing a signed address change form and delivering the form to: Records and Registration Office, 201 Sutton Hall, Cheney, WA 99004-2448. Fax number, 509.359.6153.

Address definitions are as follows:
- Parent Address—current address of parent, guardian or next of kin where special mailing may be sent.
- Permanent Address—address where mail is sent when school is not in session. This may be the same as the parent address or local address.
- Current Mailing—address where you are living while attending EWU. Any mailings sent while the quarter is in session will be sent to this address.
- Billing address—used for special billing purposes. Contact Student Financial Services for more detailed information.
- Addresses may be viewed and updated on EagleNET.
- Payroll W2 changes must be made in Payroll Office Showalter 319.
SPECIAL PERMISSION COURSES

Registration or adds through EagleNET cannot be processed for independent/directed study and internships courses. These courses require signed permission forms that may be obtained in the academic department. Some courses may require instructor permission prior to enrolling (such as: closed or waitlisted courses; graduate level courses).

Permission must be obtained in writing from the instructor and processed in person at Sutton Hall-2nd Floor or EWU Spokane, Riverpoint Campus, Phase 1 Classroom Building. See signature information.

PREREQUISITES, CO-REQUISITES AND RESTRICTED COURSES

Many courses have prerequisites or co-requisites required. These prerequisites will be checked on the Student Information System (SIS) and will indicate a message as you are attempting to register. The CRN will also be listed.

Co-requisite indicates that an additional course is required. You must register for both courses (e.g. a lecture section of a course that has a required lab).

Prerequisite indicates that another course, class standing, test or specific grade is required prior to enrollment in this course. These prerequisites are checked against your record on SIS to ensure that you have met requirements prior to enrolling in a course. Transfer students: All of your official transcripts must be received by the deadline posted on the calendar on page 2 in order for you to receive credit for work completed.

REPEATS

You may repeat a course for a higher grade. Courses to be repeated for credit must be identified during the registration process on EagleNET by going to “change class options” under the Registration category or by marking the repeat option square on the In-Person Registration Form.

If you fail to indicate the repeat during registration, there may be detrimental effects on your GPA and total credits toward graduation.

The previous course, along with its credits, grade and grade point average, will remain recorded on your transcript but will be superseded by the new course, grade and grade point average. Your cumulative grade point average will be adjusted to reflect the new grade.

If you are repeating a course in which you have received letter grades with no numeric value—such as a “W”—you do not need to indicate this at registration. You should register for the repeat “W” course as you would normally register for regular credit and grading. Courses previously taken may not be repeated under the following options:

• Receiving a Pass (P) grade with the Pass/Fail or Pass/No Credit option.
• To improve your undergraduate grade point average after receiving your baccalaureate degree.
• Repeating a transferred course for which Eastern has no equivalent.
• Business students: Contact for College of Business advisor for Repeat Policy.

REPEAT POLICY

Note: This policy became effective Fall Quarter 2007 for new students.

An undergraduate student will be allowed to repeat any single course twice for a total of three enrollments per course. In addition, a student is limited to a total of ten repeats. The last grade assigned will be the grade included in the GPA (grade point average) and all grades assigned will remain on the transcript.

EXCEPTION

If the student is showing progress over time, the instructor may allow the student to take the course additional times. Any repetitions beyond the two allowed by this policy will only be permitted at the discretion of the department chair where the course resides. This would show on a grade roster as “register with permit” for the appropriate quarter. The total number of repeats shall not exceed ten.

AUTHORIZATIONS/OVERLOAD INFORMATION

For registration, an advisor’s authorization is required for the following:

• New (first quarter of enrollment at EWU) students registering for ten or more credits.
• All freshmen each quarter.
• Athletes.
• Any student on academic probation.
• Returning students on academic dismissal.
• Any student enrolling for an overload of credits.

Advising is not required but encouraged for those students continuing their enrollment or returning to the University.

No advisor’s authorization is required to add, drop or withdraw from a course or courses prior to the beginning of the quarter, unless an overload or certain hold exists.

Graduate students beginning their first quarter of enrollment must obtain an advisor’s authorization in order to register. An advisor’s authorization will normally not be required for all other graduate students. It is important, however, to plan graduate programs in consultation with advisors and to maintain close contact with advisors throughout degree programs. If a student fails to maintain contact and problems develop with degree programs, these problems are the student’s responsibility. The consequence may be additional time to complete the degree program.

Senior students with exceptional ability and appropriate background may enroll in 500-level courses only with prior written approval of the department chair of the discipline offering the course work and the Vice Provost of Graduate Education or designee.

UNDERGRADUATE OVERLOAD PROCEDURE

Contact your major department. If your major is undecided, contact General Advising, 3rd Floor, Sutton Hall.

Credit Load Signature Required on Reg/Drop/Add Form
19-22 credits advisor plus department chair or director of advising
23 or more credits advisor plus department chair and student’s academic dean

An additional per-credit charge will be assessed for more than 18 credits.

VARIABLE CREDIT COURSES

When registering for a class that has variable credit EagleNET will automatically default to 1 credit. Submit the registration and then go to the course options section and change to the amount of credits you wish to register for, then submit.

PASS/NO CREDIT GRADING OPTION

Undergraduate students may elect to register for certain courses on a pass/no credit basis. To enroll for P/NC option go to “change class options” under Registration and Schedule page on EagleNET. The following may not be taken Pass/No Credit:

• major and minor requirements.
• required supporting courses.
• professional education requirements.
• General Education Requirements (GERs).

If this occurs, the Pass/No Credit grade will be removed and the numeric grade submitted by the instructor will be posted to the transcript. A “P” grade will be granted if the student earns a grade of 2.0 or higher. Students may not enroll for Pass/No Credit in 500-600 level courses. Changes to or from the Pass/No Credit option are accepted through the end of the 7th week of the quarter (see calendar, page 2). Schedule change fees may apply. See the General Catalog for details.

CLASS ATTENDANCE

If you attend a class for which you are not registered (including sections of a class) you will not receive credit for the course.

Failure to attend classes during the first week of the quarter may result in loss of registration in a course section in order to provide space for other students. Contact the course instructor for the nonattendance policy for that class. Students who register for a class they do not attend are responsible for dropping the course officially through the Records and Registration Office. Students who do not drop such a course will receive a 0.0 grade for that course and are held responsible for tuition and fee charges. Students are responsible for dropping all classes they do not plan on attending.
COURSE DROPS/WITHDRAWALS
Courses officially dropped/withdrawn through the Records and Registration Office or EWU Spokane, Riverpoint Campus, Phase I Classroom Building prior to the beginning of the quarter and through the 10th day will be removed from your record. Refunds are calculated according to the refund schedule on page 13. Aid recipients may have additional financial obligation to the University or Financial Aid Programs. See Return of Financial Aid for Withdrawal information page 14. Charges for dropping/withdrawing from classes begin the sixth day of the quarter and are per course. Withdrawals ("W" grade assigned to record) are accepted in the Records and Registration or any Integrated Student Services Office (ISS) or EWU Spokane, Riverpoint Campus, Phase I Classroom Building from the 11th day of the quarter until the end of the seventh week (see calendar, page 2). Schedule change fee applies. If you are enrolled in a class you do not attend, you must officially withdraw. If you do not officially withdraw you will receive a 0.0 grade.

UNDERGRADUATE COURSE WITHDRAWAL POLICY
Note: Effective for new students beginning Fall 07. EWU students are allowed a total of 10 course withdrawals in their undergraduate work (withdrawals occur after the normal drop/add period). Withdrawal from all courses for a quarter for special reasons (for example, extended illness, accident or military service) as documented and approved by Records and Registration would not be included in the apportionment of course withdrawals.

When a student reaches six withdrawals, the student will be notified by Records and Registration. When a student reaches nine withdrawals, a registration hold will be placed on the student's record and the student will not be allowed to register unless the student has the authorization from his/her advisor (departmental or program if declared or his/her advisor in the General Undergraduate Academic Advising Office).

Course withdrawal beyond the tenth will only be permitted at the discretion of the departmental or program advisor. If a withdrawal is not granted the assigned grade will be transcripted.

If there are any questions about course withdrawal, please call the Records and Registration Office at 509.359.6591.

COMPLETE WITHDRAWAL FROM THE UNIVERSITY
If you are leaving the University for the quarter, you are responsible for completely withdrawing through the Records and Registration Office or ISS (Sutton Hall, 2nd Floor) or EWU Spokane. You may do this by phoning the Records and Registration Office 509.359.6591 or coming in person to complete the Withdrawal Clearance Form. Refunds are calculated according to the refund schedule on page 13. If you do not officially withdraw from the University, you will receive 0.0 grades and will be held financially responsible for all tuition and fee charges. Eastern does not disenroll students for non-payment of tuition or non-attendance.

Complete withdrawals may be completed any time prior to one week before finals. Instructor's permission may be required after the seventh week of the quarter. Documentation may also be required in certain cases.

If you have questions about the course or complete withdrawal processes, please contact the Records and Registration Office at 509.359.2321.

GRADUATE INFORMATION

GRADUATE ADMISSIONS
Admission to graduate studies is granted only after recommendation by the major department and approval by the vice provost for Graduate Education and Research. Online application for most programs can be made via EagleNET at eaglenet.ewu.edu. A printable application form is also available for download from the graduate studies website at www.ewu.edu/grad. Admission requirements for individual programs vary and usually include supplemental materials beyond the general application to graduate studies. Any supplemental materials required by a program should be sent directly to that department. Applicants should use the summary guidelines and departmental information on the Web or in the catalog to identify specific requirements. To be considered for admission, applicants must submit all materials in time to be received in the appropriate offices by the deadline for the specific program. Applicants to more than one program must submit a complete, separate application for each program.

Graduate studies applicants who have earned or are currently pursuing a degree at EWU and who have not enrolled at another university since enrolling here need not request that official transcripts be sent to the Graduate Studies Office. All other applicants must send a complete, official record of all post-secondary study, in duplicate, to Graduate Studies, 206 Showalter Hall, Cheney, WA 99004-2444.

For further information about admission and other graduate policies and procedures, call or e-mail the Graduate Studies Office, or visit the graduate studies website at www.ewu.edu/grad.

GRADUATE STUDENT OVERLOAD PROCEDURE

COURSE LOADS
The minimum full-time enrollment for graduate students is 10 quarter credits for students on a quarter calendar (QC) and 15 quarter credits for students on a semester calendar (SC). A standard study load normally involves around 12 quarter credits for full-time QC students or 18 quarter credits for full-time SC students. The course load of graduate students may not in any term exceed 18 quarter credits for QC students or 27 quarter credits for SC students without the approval of the student's advisor and the appropriate department chair or designee. Students receiving a graduate service appointment must also have the approval of the vice provost for Graduate Education and Research to enroll in overload credits. Call 509.359.6297 with any questions.

GRADUATE DEGREE CANDIDACY
Students who have been admitted to a graduate degree program must apply for degree candidacy after completing 15 graded credits toward program requirements, at least 10 of which must be in courses numbered 500 or higher, and before completing one-half of the minimum credits required for the degree. By approving the candidacy application, the department formally encourages the student to complete the degree program and establishes the departmental faculty membership on the student's graduate committee. The student's entire program is planned at this time, and the student is protected against subsequent program changes. An application for degree candidacy may be based on either the current catalog requirements or on those in effect at the time of admission.

Students may obtain instructions and a graduate degree candidacy application form from their departmental graduate program director or from the Graduate Studies Office in 206 Showalter Hall on the Cheney campus or EWU Spokane, Riverpoint Campus, Phase I Classroom Building, room 101. All graduate forms are also available from the graduate studies website at www.ewu.edu/grad.

FINANCIAL AID AND SCHOLARSHIPS

With the exception of work-study, financial aid is normally disbursed in even quarterly installments and applied first to your university charges (tuition, fees and on-campus housing). According to your preference, the remaining balance is delivered to you by mail or to your bank account by direct deposit. If you have not selected an option, please contact Student Financial Services at 509.359.6372.

If you select direct deposit and meet the following conditions, your aid will be available on the first day of the quarter. If you select the mail option and meet the following conditions, your check will be mailed on the first day of the quarter.

1. You must be enrolled as a full-time student (10 credits for master’s/doctoral candidates and 12 credits for all other students) unless you have prior approval to receive aid as a part-time student. If you are receiving Direct Loans only, you need to be enrolled for at least half-time status (5 graduate-level credits for Masters/Doctoral degree candidates and 6 credits for all others). Wait-listed classes DO NOT count toward your total enrolled credits.

2. You must meet the satisfactory academic progress requirements according to the EWU Satisfactory Academic Progress policy. This policy applies to all financial aid recipients and to all periods of attendance prior to the receipt of financial aid. A copy of the policy is available in the Financial Aid Office or on the Web (http://www.ewu.edu/financialaid, Financial Aid Policies). This policy should be reviewed by all students applying for and receiving aid.

3. All required forms must have been submitted to the Financial Aid and Scholarship Office, including a signed copy of your Financial Aid Notification.

4. All financial holds must be cleared.

5. First-time borrowers under the Federal Perkins Loan program must submit a Loan Information/Rights and Responsibility sheet and sign a promissory note in the Student Financial Services Office (Sutton Hall 2nd Floor).

6. For the Direct Loans, the Federal Government must send the funds to EWU before money can be disbursed to you. For the Direct Loan, you must complete a Loan Counseling Session if you are a first-time borrower.

7. The Direct PLUS Loan will be disbursed according to the option selected by your parents on the Parent Loan Request form.

8. For the Direct Graduate PLUS, Alternative, and Alaska Loans, the Federal Government or State of Alaska must send the funds to EWU before money can be disbursed to you.

9. For private scholarships, your donor must send the funds to EWU before disbursement.

10. For EWU scholarships, you must return the Scholarship Acceptance form and a “thank you” letter for the donor before funds will be disbursed.

If you have not met these conditions by the first day of classes, your aid will be disbursed within one week after the conditions have been met.

Work-study funds are paid as earned. Pay dates are on the 10th and 25th of each month. Your earnings can be sent by check to your local address or deposited directly to your bank account.

NOTE: If you have received a bachelor’s degree from EWU, you must be seeking one of the following to be eligible for further aid: 1) master’s or doctoral degree, 2) teacher certification, 3) a different bachelor’s degree or 4) a second emphasis in your first bachelor’s degree that requires a minimum of 45 credits to complete. You must apply for admission to a master’s degree program or declare your new degree by completing a major declaration card in your academic department and taking it to the Office of Records and Registration (Sutton Hall, 2nd Floor) to update your records.

RETURN OF FINANCIAL AID FOR WITHDRAWALS

If you withdraw from all courses before the first day of classes, all of your financial aid is returned to the aid programs. If you withdraw any time up through the 60 percent point in the quarter, a percentage of your aid is returned to the aid programs, depending on how long you attend. After 60 percent of the quarter has passed, you are considered to have “earned” all of your financial aid and no money is due back to the programs. Your withdrawal date is used to calculate the amount of financial aid to be returned. The withdrawal date is: 1) the date you began the withdrawal process or officially notified the institution of intent to withdraw; or 2) your last date of documented attendance at an academically-related activity. If you leave without notifying the institution, your withdrawal date is: 1) the midpoint of the period or 2) your last date of documented attendance at an academically-related activity.

Withdrawing from classes may have several adverse consequences, including: 1) repayment of a portion of your financial aid, 2) having to pay for any university charges from your own funds and 3) suspension from financial aid in future quarters. We strongly urge you to see a financial aid advisor if you plan to withdraw or drop below full-time standing. If you find it necessary to withdraw from Eastern, please follow the process for official withdrawals as outlined in this quarterly Course Announcement. A detailed copy of the withdrawal policy (Return of Title IV Funds) is available from the Financial Aid and Scholarship Office.

SHORT-TERM LOAN PROGRAM

The Short-Term Loan Program is available to all EWU Students enrolled at least half-time (5 credits for Master’s/Doctoral candidates, 6 credits for all others).

The program opens the day before the quarter begins, applications are available in Student Financial Services or on the Web at: http://www.ewu.edu/sfs. Loans are available through the end of the seventh week of each quarter (fall, winter and spring). During summer quarter, the program will close at the end of the fourth week of the eight-week session. The program may close earlier if funds are depleted. The loan is $400, less a $15 processing fee. The loan must be repaid within 60 days. EWU reserves the right to deny loan applications if:

1. A student already has an outstanding loan,
2. A student is currently past due on a loan,
3. A student has paid prior short-term loans after the due date.

Short-term loans may be prepaid at any time before the due date without penalty. Past due loans are subject to a $25 late payment fee under the University collection policy. A portion of the short-term loan fund has been contributed from the estate of Ellis S. Gottebehuet in recognition of Claude W. Gottebehuet.

Check the bookstore website at [www.bookstore.ewu.edu](http://www.bookstore.ewu.edu) for textbook availability.

To ensure that you get the correct books for your classes, please bring a copy of your class confirmation with you to the Bookstore. Many of the courses have more than one section, so please be sure that your registration form lists not only the course you are registered for, but also the section number. This will help you get the correct book for your class.

RESTRICTING “STUDENT DIRECTORY INFORMATION”

Certain categories of student information are considered “open” or directory-type information and may be released to the public if the student is enrolled at the University at the time of request.

Directory information includes
• name
• addresses
• telephone number
• major field of study
• participation in officially recognized activities and sports
• dates of attendance
• degrees and awards received and the most recent previous educational agency or institution attended by the student.

All other information regarding a student’s record or attendance is restricted and may not be released without the student’s written consent. This includes, for example,
• the courses in which a student is enrolled
• the number of credits a student has earned
• as well as any grade or other related information

This policy is in compliance with federal rules and regulations and is intended for the privacy and security of the student and the student’s record.

A student may request that directory information not be released by informing the Records and Registration Office, 201 Sutton Hall. An “Information Restriction Code” will be set on the student’s computer record.

Student Records Policy—Students have certain rights and privileges regarding their individual student records. A student has the right to inspect his or her records. A student may waive the right to access of files or records. Contact the Records and Registration Office, 201 Sutton Hall or call 509.359.2321, for further information.

An information restriction will prevent you from receiving certain university mailings and from having your name released to hometown papers if you receive quarterly deans honors.

Major Declaration Deadline—You are required to officially declare a major by the time you have completed 95 credits. If you fail to do so, you will be required to have an advisor’s authorization from General Undergraduate Academic Advising (GUAA) prior to registration for each quarter that you remain undeclared. It is important for students needing advising assistance to make appointments by coming to Sutton Hall 3rd floor or calling (GUAA) at 509.359.2345.

To declare a major, check out your advising file from GUAA and take it to your major department. Changes will be made on the Student Information System to complete the formal major declaration process.

HEALTH RISKS ASSOCIATED WITH THE ABUSE OF ALCOHOL AND USER OF ILLICIT DRUGS:

• Alcohol (similar adverse effects seen with other depressants like Barbiturates & Tranquilizers)

Alcohol abuse is involved in the majority of violent behavior incidents: date rape, vandalism, fights and driving under the influence. Alcohol (and other depressant) abuse results: impaired judgment and coordination, aggressive behavior, impairment in learning and memory, respiration depression, coma and possibly death when combined with other depressants.

• Club Drugs (GHB, Rohypnol & Ecstasy)

GHB is an illegal depressant (liquid or powder) which is odorless & colorless (therefore can be easily slipped into drinks undetected). GHB can be used to facilitate rape because it causes impairments in judgment, sleepiness and amnesia. Rohypnol also known as ‘Roofies’ is a strong depressant drug, commonly know as a “Date Rape” drug. When ingested with alcohol and other drugs, effects begin within 3 minutes, and peak within 2 hours. MDMA/Ecstasy/XTC is a hallucinogenic mind-altering drug. Some adverse effects: confusion, depression, sleep problems, severe anxiety and paranoia, nausea, blurred vision, faintness and possibly long-term brain damage.

• Marijuana

The effects associated with marijuana use include: increased blood pressure, blood-shot eyes, dry mouth, hunger, impairment of short-term memory and concentration, altered sense of time, decreased coordination and motivation, psychological dependence, lung cancer, and possibly chronic lung disease after long-term use.

• Amphetamines & Other stimulants

Symptoms of stimulant abuse include: increased heart and respiratory rates, elevated blood pressure, dilated pupils, excessive perspiration, headache, dizziness, sleepiness, anxiety, and loss of appetite, coma, and death may result.

• Narcotics (Heroin, Morphine, Codeine, Demerol, Percodan)

Narcotics initially produce a feeling of euphoria followed by drowsiness, nausea, and vomiting. Overdose may cause slow and shallow breathing, clammy skin, convulsions, coma, and death may result.

• Hallucinogens

Hallucinogens or psychedelics are mind-altering drugs which affect the mind’s perception, causing bizarre, unpredictable behavior and severe sensory disturbances that may place users at risk of serious injuries or death. The combination of hallucinogens with other substances, like alcohol or marijuana, can increase the chance of adverse effects and risk of overdose as well.

• Inhalants

Psychoactive substances inhaled as gases (example paint thinners, cleaning fluids, etc) adverse effects may include: nausea, sneezing, coughing, nosebleed, fatigue, lack of coordination, brain and nervous system damage, and death may result.

• Cocaine

Use produces psychological and physical dependence. Adverse effects: elevated blood pressure, heart rate, respiratory rate and body temperature, HIV/AIDS (sharing needles), chronic use can result in ulceration and rupture of the mucous membrane.

• Steroids

Chemical compounds which are available legally and illegally. Some possible side effects of steroids include baldness, acne, lower sex drive, mood swings and liver/kidney damage.

STANDARDS OF CONDUCT

As required by federal law, the University cooperates with law enforcement authorities in referring for prosecution of unlawful possession, use or distribution of alcohol and illicit drugs by students or employees on University premises or as part of any of its activities. Please refer to WAC 172-64 for a comprehensive listing of the EWU Alcohol Policy.

REGARDING MINOR IN POSSESSION (MIP) AND USE:

• Persons under the age of 21 may not acquire, possess or consume alcohol. Nor may other persons furnish alcohol to anyone under 21 or permit consumption on premises within their control. Penalty: Maximum $500 fine, 2 months imprisonment, or both.

• Persons under 21 may not be in a public place (city streets, any buildings and grounds used for University purposes) or in a vehicle in public while exhibiting the effects of having consumed alcohol. Penalty: Maximum $500 fine, 2 months imprisonment, or both.

• Persons under 21 may not purchase or attempt to purchase alcohol. Penalty: Maximum $1,000 fine, 90 days imprisonment, or both.

• Alcohol may not be opened or consumed in a public place. Penalty: Maximum $1,000 fine.
