PAYING TUITION AND FEES

Payments can be made:
- via EagleNET
- at the General Student Services Area, Sutton Hall, 2nd floor;
- at EWU Spokane, Riverpoint-Phase One Bldg., room 101;
- by mail to Student Financial Services Office, Eastern Washington University, 202 Sutton Hall, Cheney, WA 99004-2448.

Please make your check payable to Eastern Washington University and include your student identification number. Your cancelled check will serve as your receipt. PLEASE DO NOT mail cash.

TUITION PAY (PAYMENT OPTIONS)

Student Financial Services Office is pleased to facilitate a payment plan. The plan is available through Academic Management Services. This is a “pay-as-you-go” alternative to lump-sum payments and we have found it increasingly popular among students and parents.

Eastern Washington University has found Tuition Pay through AMS to be a very helpful service at a reasonable cost. If you have any questions, need additional information or would like assistance in completing an enrollment form, please call Tuition Pay today at 1.888.664.6082. A Tuition Pay specialist will be happy to help you or on the Web at www.tuitionpay.com.

THIRD PARTY BILLING

Students who are sponsored by a third party may request billing to the sponsor for tuition, fees and other related educational expenses.

Sponsor invoicing occurs once per term. Sponsor payments must be received for the current term in order for students to be eligible to continue enrollment in subsequent terms.

In any sponsor billing arrangement, the student is ultimately responsible for payment of university charges. If a sponsor fails to pay any amounts invoiced, those original charges are returned to the student account with any appropriate late payment penalties assessed.

Students or sponsors may request sponsor billing by mailing a signed billing authorization form to the following: Student Financial Services, Attn.: Third Party Billing, 202 Sutton Hall, Cheney, WA 99004.

Complete arrangements for sponsor billing must be made prior to the statement due dates to prevent late payment penalties.

If you have any questions, call Student Financial Services 509.359.6372.

COURSE FEES

Some courses may require a special course, lab or computer fee in addition to the regular tuition assessed. Students should refer to the course footnote for specific charges. Additional charges may be assessed for special courses offered by E-Learning & Off Campus Programs. These courses are classified as self-support courses and are charged separately and in addition to regular campus courses.

For a comprehensive list of all courses that charge fees and the amount of the fee go to www.tuitionpay.com. For a comprehensive list of all courses that charge fees and the amount of the fee go to www.ewu.edu.

For a comprehensive list of all courses that charge fees and the amount of the fee go to www.ewu.edu.

IMPORTANT REGISTRATION INFORMATION
REGISTRATION, DROP/ADD AND GRADES VIA EAGLENET

PRIORITY REGISTRATION
Priority registration is a time scheduled for continuing (currently enrolled) students to register for the next term. Your registration date is based on your class standing as of the prior quarter’s grades (fall quarter registration is based on prior winter grades; winter is based on spring/summer grades; spring is based on fall grades and your cumulative credits at registration time).

SYSTEM AVAILABILITY – EagleNET is available for online adds through the third day and drops through the sixth class day of the quarter. Please visit Records and Registration on the 2nd Floor of Sutton Hall (SUT 201) on the Cheney campus or at the EWU Spokane, Riverpoint Campus, Phase I Classroom Building, room 101 for registration transactions after the sixth class day.

BEFORE YOU REGISTER

STUDENT RESPONSIBILITIES

Please read before registering for courses.

As an EWU student, you are responsible for the requirements and deadlines published in this quarterly announcement.

The following processes may be held due to financial obligations: Admission to the university, registration, drop/add activity, conferring of degrees and issuance of academic transcripts may be withheld for failure to meet financial obligations to the university. It is the student’s responsibility to ensure that his/her account is kept current.

Payments received from students will be applied in the following priority: 1) oldest charge, 2) tuition and course fees, 3) housing and dining charges, 4) other charges.

Registration obligates a student to payment of all tuition and course fees. If tuition is not paid by the published due date, students will be assessed a late fee and will be liable for any other reasonable collection costs and charges. Students may check with the Student Financial Services Office, 509.359.6372, to obtain the exact amount of tuition and fees due.

Schedule Confirmation: Check your schedule carefully for discrepancies. You are responsible for ensuring that the courses you select will fulfill degree requirements. Registering for courses without the necessary co-requisites or prerequisites may result in being disenrolled.

Drop by Instructor: If a student fails to attend an undergraduate class during the first five days of the quarter, the instructor may drop the student from the class. Students should not assume they will automatically be dropped from a class they do not attend. Check with the Office of Records and Registration prior to the end of the drop/add period. Nonattendance does not relieve you of your academic and financial responsibilities.

As a student, you must understand that the information included in the quarterly announcement is important. You will be held academically and financially responsible for the course selections you make and it is your responsibility to obtain academic advising for your program.

Your address is very important! Please keep us updated! Addresses can be changed on eaglenet.ewu.edu at the Office of Records and Registration, Admissions, Financial Aid, Student Financial Services or EWU Spokane, Riverpoint Campus, with picture ID.

Non-Degree Seeking Students

Students are allowed to attend EWU as non-degree seeking students for two consecutive quarters. Please call 509.359.2321 if you have any questions. If you are not seeking a degree and are interested in trying out a class or two, simply ask for a non-degree seeking form when you register. Non-degree seeking student registration opens two weeks before the first day of classes. Transcripts and application fees are waived for non-degree seeking students. Post Baccalaureate students will be asked to verify previous degree(s) from institutions other than EWU. Students registered as non-degree seeking students are not eligible for Financial Aid.

Tuition is due the sixth day of the quarter.

If you decide to pursue a degree, contact the Office of Admissions and submit an application for undergraduate admission by the priority application date for the quarter you are going to apply.

STEP TWO: ACADEMIC ADVISING

All new students must meet with an advisor prior to registration at EWU. Current continuing students are strongly encouraged to take advantage of academic advising in case of university and/or departmental changes in requirements. Advisors will assist with academic planning, major exploration, prerequisite checking, identification of appropriate course sequencing and may refer to additional support services on campus.

To schedule an academic advising appointment, call 509.359.2345.
Holds for continuing students

Registration and drop/add transactions cannot be processed if you have a hold placed for any of the following reasons:
- If you have incomplete records—transcripts missing
- If you are a junior and have not declared your major
- Financial obligations to the university - may be cleared by payment on EagleNET

Student Hold definitions

Student holds will be placed for the reasons listed below. “Restricted activity” indicates which areas on the Student Information System will be restricted by the hold. “Contact” indicates the office to be contacted or requirement(s) necessary to have the hold released.

Address Changes

It is the student's responsibility to keep address information up-to-date with the University. Changes may be made on EagleNET by clicking on “Update Addresses” under the Personal Information column. Address changes can also be submitted in person, by mail or by fax by completing a signed address change form and delivering the form to: Records and Registration Office, 201 Sutton Hall, Cheney, WA 99004-2448, Fax number, 509.359.6153.

Address definitions are as follows:
- Parent Address—current address of parent, guardian or next of kin where special mailing may be sent.
- Permanent Address—address where mail is sent when school is not in session. This may be the same as the parent address or local address.
- Current Mailing—address where you are living while attending EWU. Any mailings sent while the quarter is in session will be sent to this address.
- Billing address—used for special billing purposes. Contact Student Financial Services for more detailed information.
- Addresses may be viewed and updated on EagleNET.
- Payroll W2 changes must be made in Payroll Office Showalter 319.

English and Math Competency

Each student enrolling at EWU must demonstrate knowledge of the material contained in MTHD 104 Intermediate Algebra—by earning an appropriate score on a mathematics placement test or be required to earn a grade of 2.0 or better in MTHD 104. The credits earned in MTHD 104 will not be counted as part of the 180 credits required to graduate.

To satisfy the English and Mathematics competencies, see the appropriate department.

The Mathematics Placement Test (MPT) dates are scheduled at various times throughout the year. See the Mathematics Department website, www.math.ewu.edu or call 509.359.4311 for test schedules, practice problems and test information.

You must complete a placement exam in English if you have not yet completed the equivalent of Eastern's English 101 with a 2.0 or better. You should complete the University Writing Placement Test prior to your first registration at Eastern if required. Normally the test will be completed during the STAR sessions. The Writing Placement Test will be used to place students into the appropriate composition course.

You should complete your Writing Proficiency Requirements as soon as possible as the test will be used to place students into the appropriate composition course.

For further information, contact the English Composition Program, 509.359.7064.
SPECIAL PERMISSION COURSES
Registration or adds through EagleNET cannot be processed for independent/directed study and internships courses. These courses require signed permission forms that may be obtained in the academic department. Some courses may require instructor permission prior to enrolling (such as: closed or waitlisted courses; graduate level courses).
Permission must be obtained in writing from the instructor and processed in person at Sutton Hall-2nd Floor or EWU Spokane, Riverpoint Campus, Phase I Classroom Building. See signature information.

PREREQUISITES, CO-REQUISITES AND RESTRICTED COURSES
Many courses have prerequisites or co-requisites required. These prerequisites will be checked on the Student Information System (SIS) and will indicate a message as you are attempting to register. The CRN will also be listed.
Co-requisite indicates that an additional course is required. You must register for both courses (e.g., a lecture section of a course that has a required lab).
Prerequisite indicates that another course, class standing, test or specific grade is required prior to enrollment in this course. These prerequisites are checked against your record on SIS to ensure that you have met requirements prior to enrolling in a course.
Transfer students: all of your official transcripts must be received by the deadline posted on the calendar in order for you to receive credit for work completed.

REPEATS
This is general information that may be superseded by specific program rules on repeats, such as those for undergraduate business majors. Graduate students must also follow the specific policies under Academic Standards and Course Repeat in the front section of this catalog.
You may repeat a course for a higher grade. A course may be repeated regardless of its delivery mode (traditional classroom or independent learning). Courses to be repeated for credit value must be identified during the registration process on EagleNET by going to change class options under the registration category or by marking the repeat option square on the paper registration form.
Undergraduate students will be allowed to repeat any single course twice for a total of three enrollments per course. In addition, you are limited to a total of ten repeats. The last grade assigned will be the grade included in the GPA (grade point average) and all grades assigned will remain on the transcript.

Exception
If a student is showing progress over time, then he or she may be allowed to take the course additional times. Any repetitions beyond the two allowed by this policy will only be permitted at the discretion of the department chair where the course resides. The total number of repeats still may not exceed ten.
If you fail to indicate the repeat during registration, there may be detrimental effects on your GPA and total credits toward graduation.
The previous course, along with its credits, grade and grade point average, will remain recorded on your transcript but will be superseded by the new course, grade and GPA. Your cumulative GPA will be adjusted to reflect the new grade.
If you are repeating a course in which you have received a letter grade with no numeric value such as W you do not need to indicate this at registration. You should register for the repeat W course as you would normally register for regular credit and grading.

Courses previously taken may not be repeated under the following conditions:
• receiving a pass (P) grade with the Pass/Fail or Pass/No Credit option;
• to improve an undergraduate GPA after receiving a baccalaureate degree;
• effective spring quarter 2010, courses transferred to Eastern from another institution will not be counted as repeats for the purposes of EWU GPA calculation, but can be used to satisfy pre-requisites and all other degree requirements.

AUTORIZATIONS/ OVERLOAD INFORMATION
For registration, an advisor’s authorization is required for the following:
• new (first quarter of enrollment at EWU) students registering for ten or more credits;
• all freshmen each quarter;
• athletes;
• any student on academic probation;
• returning students on academic dismissal;
• any student enrolling for an overload of credits.
Advising is not required but encouraged for those students continuing their enrollment or returning to the University.
No advisor’s authorization is required to add, drop or withdraw from a course or courses prior to the beginning of the quarter, unless an overload or certain hold exists.
Graduate students beginning their first quarter of enrollment must obtain an advisor’s authorization in order to register. An advisor’s authorization will normally not be required for all other graduate students. It is important, however, to plan graduate programs in consultation with advisors and to maintain close contact with advisors throughout degree programs. If a student fails to maintain contact and problems develop with degree programs, these problems are the student’s responsibility. The consequence may be additional time to complete the degree program.
Senior students with exceptional ability and appropriate background may enroll in 500-level courses only with prior written approval of the department chair of the discipline offering the course work and the Vice Provost of Graduate Education or designee.

UNDERGRADUATE OVERLOAD PROCEDURE
Overloading Courses
Undergraduates who wish to enroll in more than 18 credit hours during a quarter must obtain overload permission from their general or department advisor.
Requests for 19 or more credit hours are generally approved only for those with a GPA of at least 3.0. Additional per credit fees are assessed for students enrolled in more than 18 credits per quarter.

VARIABLE CREDIT COURSES
When registering for a class that has variable credit EagleNET will automatically default to 1 credit. Submit the registration and then go to the course options section and change to the amount of credits you wish to register for, then submit.

PASS/NO CREDIT GRADING OPTION
Undergraduate students may elect to register for certain courses on a Pass/No credit basis. To enroll for P/NC option go to “change class options” under Registration and Schedule page on EagleNET. The following may not be taken Pass/No Credit:
• major and minor requirements.
• required supporting courses.
• professional education requirements.
• General Education Requirements (GERs).

If this occurs, the Pass/No Credit grade will be removed and the numeric grade submitted by the instructor will be posted to the transcript. A “P” grade will be granted if the student earns a grade of 2.0 or higher. Students may not enroll for Pass/No Credit in 500-600 level courses. Changes to or from the Pass/No Credit option are accepted through the end of the 7th week of the quarter (see calendars). Schedule change fees may apply. See the General Catalog for details.
CLASS ATTENDANCE
If you attend a class for which you are not registered (including sections of a class) you will not receive credit for the course.

Failure to attend class during the first five days of the quarter may result in loss of registration in an undergraduate course section in order to provide space for other students. Contact the course instructor for the nonattendance policy for that class. Students who register for a class they do not attend are responsible for dropping the course officially through the Records and Registration Office. Students who do not drop such a course will receive a 0.0 grade for that course and are held responsible for tuition and fee charges. Students are responsible for dropping all classes they do not plan on attending.

COURSE DROPS/WITHDRAWALS
Courses officially dropped/withdrawn through the Records and Registration Office or EWU Spokane, Riverpoint Campus, Phase I Classroom Building prior to the beginning of the quarter and through the 10th day of the quarter will be removed from your record. Refunds are calculated according to the refund schedule on page 16. Aid recipients may have additional financial obligation to the University or Financial Aid Programs. See Return of Financial Aid for Withdrawal information page 17. Charges for dropping/withdrawing from classes begin the sixth day of the quarter and are per course. Withdrawals ("W" grade assigned to record) are accepted in the Records and Registration or any Integrated Student Services Office (ISS) or EWU Spokane, Riverpoint Campus, Phase I Classroom Building from the 11th day of the quarter until the end of the seventh week (see calendars at the front of this QA). Schedule change fee applies. If you are enrolled in a class you do not attend, you must officially withdraw. If you do not officially withdraw you will receive a 0.0 grade.

UNDERGRADUATE COURSE WITHDRAWAL POLICY
This policy became effective fall quarter 2007 for new students. EWU students are allowed a total of 10 course withdrawals in their undergraduate work. (Withdrawals occur after the normal drop/add period.) Withdrawal from all courses for a quarter for special reasons (for example, extended illness, accident or military service) as documented and approved by Records and Registration would only be counted as a single withdrawal in the apportionment of course withdrawals.

When a student reaches six withdrawals, the student will be notified by Records and Registration. When a student reaches nine withdrawals, a registration hold will be placed on the student’s record and the student will not be allowed to register unless the student has the authorization from his/her advisor (departmental or program if declared, or his/her advisor in the General Undergraduate Academic Advising Office).

If there are any questions about course withdrawal, please call the Records and Registration Office at 509.359.2321.

COMPLETE WITHDRAWAL FROM THE UNIVERSITY
If you are leaving the University for the quarter, you are responsible for completely withdrawing through the Records and Registration Office or ISS (Sutton Hall, 2nd Floor) or EWU Spokane. You may do this by phoning the Records and Registration Office 509.359.6591 or coming in person to complete the Withdrawal Clearance Form. Refunds are calculated according to the refund schedule. If you do not officially withdraw from the University, you will receive 0.0 grades and will be held financially responsible for all tuition and fee charges. Eastern does not disenroll students for non-payment of tuition or non-attendance.

Complete withdrawals may be completed any time prior to one week before finals. Instructor’s permission may be required after the seventh week of the quarter. Documentation may also be required in certain cases.

If you have questions about the course or complete withdrawal processes, please contact the Records and Registration Office at 509.359.2321.

GRADUATE INFORMATION

GRADUATE ADMISSIONS
Admission to graduate studies is granted only after recommendation by the major department and approval by the vice provost for Graduate Education and Research. Online application for most programs can be made via EagleNET at eaglenet.ewu.edu. A printable application form is also available for download from the graduate studies website at www.ewu.edu/grad. Admission requirements for individual programs vary and usually include supplemental materials beyond the general application to graduate studies. Any supplemental materials required by a program should be sent directly to that department. Applicants should use the summary guidelines and departmental information on the Web or in the catalog to identify specific requirements. To be considered for admission, applicants must submit all materials in time to be received in the appropriate offices by the deadline for the specific program. Applicants to more than one program, including dual-degree programs, must submit a complete, separate application for each program.

Graduate studies applicants who have earned or are currently pursuing a degree at EWU and who have not enrolled at another university since enrolling here need not request that official transcripts be sent to the Graduate Studies Office. All other applicants must send a complete, official record of all post-secondary study, in duplicate, to Graduate Studies, 206 Showalter Hall, Cheney, WA 99004-2444.

For further information about admission and other graduate policies and procedures, call or e-mail the Graduate Studies Office, or visit the graduate studies website at www.ewu.edu/grad.

GRADUATE STUDENT OVERLOAD PROCEDURE

COURSE LOADS
The minimum full-time enrollment for graduate students is 10 quarter credits for students on a quarter calendar (QC) and 15 quarter credits for students on a semester calendar (SC). A standard study load normally involves around 12 quarter credits for full-time QC students or 18 quarter credits for full-time SC students. The course load of graduate students may not in any term exceed 18 quarter credits for QC students or 27 quarter credits for SC students without the approval of the student’s advisor and the appropriate department chair or designee. Students receiving a graduate service appointment must also have the approval of the vice provost for Graduate Education and Research to enroll in overload credits. Call 509.359.6297 with any questions.

GRADUATE DEGREE CANDIDACY
Students who have been admitted to a graduate degree program must apply for degree candidacy after completing 15 graded credits toward program requirements, at least 10 of which must be in courses numbered 500 or higher, and before completing one-half of the minimum credits required for the degree. By approving the candidacy application, the department formally encourages the student to complete the degree program and establishes the departmental faculty membership on the student's graduate committee. The student’s entire program is planned at this time, and the student is protected against subsequent program changes. An application for degree candidacy may be based on either the current catalog requirements or on those in effect at the time of admission.

Students may obtain instructions and a graduate degree candidacy application form from their departmental graduate program director or from the Graduate Studies Office in 206 Showalter Hall on the Cheney campus or EWU Spokane, Riverpoint Campus, Phase I Classroom Building, room 101. All graduate forms are also available from the graduate studies website at www.ewu.edu/grad.

**FINANCIAL AID AND SCHOLARSHIPS**

With the exception of work-study, financial aid is normally disbursed in even quarterly installments and applied first to your university charges (tuition, fees and on-campus housing). According to your preference, the remaining balance is delivered to you by mail or to your bank account by direct deposit. If you have not selected an option, please contact Student Financial Services at 509.359.6372.

If you select direct deposit and meet the following conditions, your aid will be available on the first day of the quarter. If you select the mail option and meet the following conditions, your check will be mailed on the first day of the quarter.

1. You must be enrolled as a full-time student (12 credits for undergraduate, certificate, and post-baccalaureate, and 10 credits for master's/doctoral candidates) unless you have prior approval to receive aid as a part-time student. If you are receiving Direct Loans only, you need to be enrolled for at least half-time status (6 credits for undergraduate, certificate, and post-baccalaureate, and 5 graduate-level credits for Masters/Doctoral degree candidates). Wait-listed classes DO NOT count toward your total enrolled credits.

2. You must meet the requirements of the EWU Satisfactory Academic Progress Policy. This policy applies to all financial aid recipients and to all periods of attendance prior to the receipt of financial aid. A copy of the policy is available in the Financial Aid Office or on the Web (www.ewu.edu/financialaid, Financial Aid Policies). This policy should be reviewed by all students applying for and receiving aid.

3. All required forms must have been submitted to the Financial Aid and Scholarship Office, including a signed copy of your Financial Aid Notification.

4. All financial holds must be cleared.

5. First-time borrowers under the Federal Perkins Loan program must submit a Loan Information/Rights and Responsibility sheet and sign a promissory note in the Student Financial Services Office (Sutton Hall 2nd Floor).

6. For Direct Loans, the federal government must send the funds to EWU before money can be disbursed to you. For the Direct Loan, you must complete an electronic Master Promissory Note (MPN) and an Entrance Counseling session at www.studentloans.gov if you are a first-time borrower.
7. The Direct PLUS Loan will be disbursed according to the option selected by your parents on the Parent Loan Request form.

8. For the Direct Graduate PLUS, Alternative, and Alaska Loans, the federal government or State of Alaska must send the funds to EWU before money can be disbursed to you.

9. For private scholarships, your donor must send the funds to EWU before disbursement.

10. For EWU scholarships, you must return the Scholarship Acceptance form and a “thank you” letter for the donor before funds will be disbursed.

If you have not met these conditions by the first day of classes, your aid will be disbursed within one week after the conditions have been met.

Work-study funds are paid as earned. Pay dates are on the 10th and 25th of each month. Your earnings can be sent by check to your local address or deposited directly to your bank account.

NOTE: If you have received a bachelor’s degree from EWU, you must be seeking one of the following to be eligible for further aid: 1) master’s or doctoral degree, 2) teacher certification, 3) a different bachelor’s degree or 4) a second emphasis in your first bachelor’s degree that requires a minimum of 45 credits to complete. You must apply for admission to a master’s degree program or declare your new degree by completing a major declaration card in your academic department and taking it to the Office of Records and Registration (Sutton Hall, 2nd Floor) to update your records.

RETURN OF FINANCIAL AID FOR WITHDRAWALS
If you withdraw from all courses before the first day of classes, all of your financial aid is returned to the aid programs. If you withdraw any time up through the 60 percent point in the quarter, a percentage of your aid is returned to the aid programs, depending on how long you attend. After 60 percent of the quarter has passed, you are considered to have “earned” all of your financial aid and no money is due back to the programs. Your withdrawal date is used to calculate the amount of financial aid to be returned. The withdrawal date is: 1) the date you began the withdrawal process or officially notified the institution of intent to withdraw; or 2) your last date of documented attendance at an academically-related activity. If you leave without notifying the institution, your withdrawal date is: 1) the midpoint of the period or 2) your last date of documented attendance at an academically-related activity.

Withdrawing from classes may have several adverse consequences, including: 1) repayment of a portion of your financial aid, 2) having to pay for any university charges from your own funds and 3) suspension from financial aid in future quarters. We strongly urge you to see a financial aid advisor if you plan to withdraw or drop below full-time standing. If you find it necessary to withdraw from Eastern, please follow the process for official withdrawals as outlined in this quarterly Course Announcement. A detailed copy of the withdrawal policy (Return of Title IV Funds) is available from the Financial Aid and Scholarship Office.

SHORT-TERM LOAN PROGRAM
The Short-Term Loan Program is available to all EWU Students enrolled at least half-time (5 credits for Master’s/Doctoral candidates, 6 credits for all others). The program opens the day before the quarter begins, applications are available in Student Financial Services or on the Web at: www.ewu.edu/sfs. Loans are available through the end of the seventh week of each quarter (fall, winter and spring). During summer quarter, the program will close at the end of the fourth week of the eight-week session. The program may close earlier if funds are depleted. The loan is $400, less a $15 processing fee. The loan must be repaid within 60 days. EWU reserves the right to deny loan applications if: 1. a student already has an outstanding loan, 2. a student is currently past due on a loan, 3. a student has paid prior short-term loans after the due date. Short-term loans may be prepaid at any time before the due date without penalty. Past due loans are subject to a $25 late payment fee under the University collection policy. A portion of the short-term loan fund has been contributed from the estate of Ellis S. Gortenheuer in recognition of Claude W. Gortenheuer.

MAJOR DECLARATION PROCESS
Major Declaration Deadline—You are required to officially declare a major by the time you have completed 90 credits. If you fail to do so, you will be required to have an advisor's authorization from General Undergraduate Academic Advising (GUAA) prior to registration for each quarter that you remain undeclared. It is important for students needing advising assistance to make appointments by coming to Sutton Hall 1st floor or calling (GUAA) at 509.359.2345.

UNDERGRADUATE HONORS AT GRADUATION
Graduating seniors who achieve academic honors will be formally recognized during commencement, on University transcripts, and on their diploma. Baccalaureate honors are awarded only to recipients of a first baccalaureate degree. These honors are earned by those students who have completed no fewer than 90 credits at this institution; 60 credits must be for courses in which grade points are awarded. Honors are calculated only on college-level credits earned at this institution. The following designations apply:

Graduating seniors with a GPA between

| 3.5 and 3.69  | 3.7 and 3.89  | 3.9 and 4.0  |

Student Online Academic Review (SOAR) is an automated record reflecting progress toward degree completion. SOAR allows students to assess progress toward their degree or to determine how earned credits would apply if they were to pursue another degree program. For more information on SOAR visit, sites.ewu.edu/soar.

VETERANS RESOURCE CENTER

Veterans Resource Center

359.7040
122 Showalter Hall
www.ewu.edu/veterans

The Veterans Resource Center provides critical services and support for our veterans; active-duty, National Guard and Reserve military personnel, their spouses and dependents. The center will assist our veterans’ transition back into civilian life as they learn to navigate the university system. It will support the unique recruitment, retention and educational needs of students whose lives are inextricably connected to the military.

The Veterans Resource Center provides the following:

• GI Bill benefits;
• admissions and financial aid counseling;
• targeted recruitment;
• academic and personal advising;
• liaison with disability services;
• referrals to campus support services;
• specialized tutoring;
• support for veterans’ student club;
• activities for veteran and military students and their families;
• public presentations and speakers;
• workshops for veteran and military students;
• faculty and staff training.

The Veterans Resource Center also provides a space for veterans to socialize, a computer lab and conference/workshop space.

EWU expects to increase the number of student veterans utilizing GI benefits each year, and to see a student retention rate among veterans that exceeds the general student population.

Providing education to the wider community is also a mission of the center, as it aims to organize discussions and symposia on such topics as best practices for supporting military service members and serving veterans in higher education.

The Veterans Resource Center will have a robust online program to reach individuals even while they are on active duty.

The center staff includes a director, an academic advisor, a financial aid specialist, VA work study students and faculty liaisons.

The Veterans Resource Center facilitates faculty liaisons in each college to ensure effective communication and coordination with those EWU departments and staff that regularly interact with veteran and military students.

HEALTH RISKS ASSOCIATED WITH THE ABUSE OF ALCOHOL AND USER OF ILLICIT DRUGS

• Alcohol (similar adverse effects seen with other depressants like Barbiturates & Tranquilizers)

Alcohol abuse is involved in the majority of violent behavior incidents: date rape, vandalism, fights and driving under the influence. Alcohol (and other depressant) abuse results: impaired judgment and coordination, aggressive behavior, impairment in learning and memory, respiration depression, coma and possibly death when combined with other depressants.

• Club Drugs (GHB, Rohypnol & Ecstasy)

GHB is an illegal depressant (liquid or powder) which is odorless & colorless (therefore can be easily slipped into drinks undetected). GHB can be used to facilitate rape because it causes impairments in judgment, sleepiness and amnesia. Rohypnol also known as ‘Roofies’ is a strong depressant drug, commonly know as a “Date Rape” drug. When ingested with alcohol and other drugs, effects begin within 3 minutes, and peak within 2 hours. MDMA /Ecstasy/XTC is a hallucinogenic mind-altering drug. Some adverse effects: confusion, depression, sleep problems, severe anxiety and paranoia, nausea, blurred vision, faintness and possibly long-term brain damage.

• Marijuana

The effects associated with marijuana use include: increased blood pressure, blood-shot eyes, dry mouth, hunger, impairment of short-term memory and concentration, altered sense of time, decreased coordination and motivation, psychological dependence, lung cancer, and possibly chronic lung disease after long-term use.

• Amphetamines & Other stimulants

Symptoms of stimulant abuse include: increased heart and respiratory rates, elevated blood pressure, dilated pupils, excessive perspiration, headache, dizziness, sleepiness, anxiety, and loss of appetite, coma, and death may result.

• Narcotics (Heroin, Morphine, Codeine, Demerol, Percodan)

Narcotics initially produce a feeling of euphoria followed by drowsiness, nausea, and vomiting. Overdose may cause slow and shallow breathing, clammy skin, convulsions, coma, and death may result.

• Hallucinogens

Hallucinogens or psychedelics are mind-altering drugs which affect the mind’s perception, causing bizarre, unpredictable behavior and severe, sensory disturbances that may place users at risk of serious injuries or death. The combination of hallucinogens with other substances, like alcohol or marijuana, can increase the chance of adverse effects and risk of overdose as well.

• Inhalants

Psychoactive substances inhaled as gases (example paint thinners, cleaning fluids, etc) adverse effects may include: nausea, sneezing, coughing, nosebleed, fatigue, lack of coordination, brain and nervous system damage, and death may result.

• Cocaine

Use produces psychological and physical dependence. Adverse effects: elevated blood pressure, heart rate, respiratory rate and body temperature, HIV/ AIDS (sharing needles), chronic use can result in ulceration and rupture of the mucous membrane.

• Steroids

Chemical compounds which are available legally and illegally. Some possible side effects of steroids include baldness, acne, lower sex drive, mood swings and liver/kidney damage.

STANDARDS OF CONDUCT

As required by federal law, the University cooperates with law enforcement authorities in referring for prosecution of unlawful possession, use or distribution of alcohol and illicit drugs by students or employees on University premises or as part of any of its activities. DRUGS, FEDERAL LAW, AND YOUR FINANCIAL AID

Federal law suspends aid eligibility for students convicted of sale or possession of drugs. If convicted of drug possession, you will be ineligible for one year from the date of your conviction after the first offense, two years after the second offense, and indefinitely after the third offense. If convicted for selling drugs, you will be ineligible for two years from the date of your conviction after the first offense, and indefinitely after the second offense. If lost, eligibility can be regained by successfully completing an approved drug rehabilitation program. This document summarizes the content of Eastern Washington University’s Alcohol and Drug Policy WAC 172-64. Any new policy and procedure will supersede the existing policy and this document. A complete copy of the policy is available at Health, Wellness & Prevention Services, URC 201, 509.359.4279 or in Student Life, PUB 320, 509.359.2292 or on-line at www.ewu.edu/goodchoices.
