

GET IN SYNC WITH

EagleSync

What's EagleSync?

It's not the latest boy band. EagleSync (also known as OrgSync) is a web-based application that allows you to join, connect with, and start student organizations. There's no better way to get involved, and joining is quick, easy, and hassle-free!

Create Your Account

- Visit ewu.orgsync.com/orgsync_info
- Login with your student username and password
- Fill out your profile, and make sure to add a profile picture
- Once your account is created, you'll be able to browse the site

Exploring Student Organizations and Departments

- Locate "Organizations" at the top of your OrgSync homepage
- Click "Add Organization-Search Your Community"
- Search organizations and departments by name, keyword, or alphabetical order
- Click on an organization to learn more

Joining an Organization on EagleSync

Once you've found an organization you'd like to join, click the green "Join Now" button.

Note: Some organizations require a password to join their portal. If you don't know the password, submit a request to join. Contact the club's rep or Advisor for more information.
